Shell Safety Day 2019

Shell MEINHARDT CBRE AECOM CGSC

BE GOAL ZERO EVERY DAY

SAFETY DAY 2019 27 MARCH

We wish to have a continual conversation on **Risk Normalisation, Dilemma and Care**, but with a focus on "How can I be Goal Zero every day, demonstrating you care, know and deliver?"

On 27th March 2019, Shell held their Safety Day for year 2019 in Polymer Composite Asia together with activities such as blood donation, fall protection demonstration by 3M, physiotherapy test and many more activities.

Refresher Course

On 21th March, A refresher course was held by our Safety personnel to our front liner on asbestos, alcohol and drugs. Frontliner was briefed about hazards involved and the control measures
