

No Smoking Policy

Statement of Policy on No Smoking

We, in the course of carrying out our activities to achieve our business objectives, we hereby undertake to protect our workers safety and their health, with regards to NO SMOKING in the following places.

We, therefore, strive very hard in order to be in compliance with the local laws:

- ▶ NO SMOKING at all worksite within the petrol station compound
- ▶ NO SMOKING at all new worksite to ensure good habits
- ▶ Penalize workers if any who infringe this safety rules.
