

## Alcohol & Drugs Policy

### **Statement of Policy on Alcohol and Drugs**

We, in the course of carrying out our activities to achieve our business objectives, we hereby undertake to protect our workers safety and their health, with regards to abuse on drugs and consumption of alcohol at any of our worksite.

We, therefore, strive very hard in order to be in compliance with the local laws:

- ▶ Prevent drug abuse amongst our workers at all our worksites by conducting inspections
- ▶ Prevent alcohol consumption amongst our workers while attending to activities at our worksite
- ▶ Report to police for any known drug abuse cases

Action will be taken on workers who consume alcohol while at work in our work site.
