

Driving & Road Safety Policy

Statement of Policy on Driving & Road Safety

We, in the course of carrying out our activities to achieve our business objectives, we hereby undertake to protect our workers safety and their health, with regards to driving attitude and on the road safety while traveling to and from company worksite.

We, therefore, strive very hard in order to be in compliance with the local laws:

- ▶ Informed all drivers to switch off their hand phones while driving
- ▶ All drivers are to comply strictly to the speed limit. Any driver who drives company owned vehicles must not be summoned by the police more than 3 times a year with respect to all road safety matters. Non-compliance to the safety requirement shall lead to a strong written warning and subsequently a dismissal by the company

A driver must not drive under the influence of drug or alcohol at any time.
